Filesize: 5.5 MB

Reviews

These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.
(Lucas Brown)

REVERIES OF THE SOLITARY WALKER (PAPERBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. These hours of solitude and meditation are the only time of the day when I am completely myself. *Reveries of the Solitary Walker* is Rousseau's last great work, the product of his final years of exile from the society that condemned his political and religious views. Returning to Paris the philosopher determines to keep a faithful record of the thoughts and ideas that come to him on his perambulations. Part reminiscence, part reflection, enlivened by anecdote and encounters, the *Reveries* form a kind of sequel to his *Confessions*, but they are more introspective and less defensive: Rousseau finds happiness in solitude, walks in nature, botanizing, and meditation. Writing an account of his walks becomes a means of achieving self-knowledge and safeguarding for himself the pleasure that others, he is convinced, seek to deny him. The *Reveries*, shaped by the unmediated nature of Rousseau's thought processes, give powerfully lyrical expression to a painfully tortured soul in search of peace. This new translation is accompanied by an introduction and notes that explore the nature of the work and its historical, literary, and intellectual contexts. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
