## PLANT MICROBIAL FUEL CELL FOR GREEN ELECTRICITY GENERATION

Plant Microbial Fuel cell for green electricity generation

LAP Lambert Academic Publishing Nov 2013, 2013. Taschenbuch. Condition: Neu. Neuware - Microbial and plant fuel cell represents a new type of green technology for electricity generation. In this book, batch production of electricity using river water sediment and plant sediment is reported. Experiments were conducted in a single chamber microbial fuel cell and plant fuel cell to study the amount of electricity produced. The study revealed that river water sediments and plants could be used effectively for direct electricity...
