Jazzy Kitty Greetings Marketing Publishing Co, United States, 2012. Paperback. Book Condition: New. 249 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook is to understand the general principles of business. Overall business principles are used in both for-profit and nonprofit institutions. This workbook provides an overview of these key principles. As you progress through your business education, personal, non-profit, church, and civic organization you will discover that this book is devoted to some of the topics that we take you to the next level in business. This product will enable the student to learn about personnel management, leadership, and motivational techniques. This workbook is a survey of the functions of business, a comparison of the forms or organizations and methods of administration, and the interdependence of production, distribution and finance in modern business. For some of you, this workbook may be one of the first that you have taken at the college level. Your future academic success may be influenced by how well you perform. Nothing worth having is easy to acquire. The same is true with your business. Read, take notes, and participate. If you do all of these things, you will discover that business can be successful and it is not difficult, just rigorous. Course Relevance: The principles learned in this workbook will allow the student to understand the various forms of business domestically and globally. The principles are relevant for everyone, from those entering the workforce for the first time to aspiring entrepreneurs. The workbook also has tips for daily living and your personal finances. COURSE OBJECTIVES Upon completion of the workbook the student should be able to: Explain the different types of business structures and the benefits of each type Define at least three theories of motivation and explain...
