Like short stories, real stories or fiction Then this book is for you. You will find true to life stories as well as a couple that are purely fictional, even one that raises a question or two about fairies. The stories contained within the pages of this book are all from the same author, though two of them had collaboration with others. Its rare that I can write a short story, since of course I am rather long winded, so I hope you find a treasure you can keep in the jewels within. This item ships from La Vergne, TN. Paperback.
