AFRICAN PERSPECTIVES ON TRADITION AND JUSTICE

DOWNLOAD

Intersentia Ltd. Paperback. Book Condition: new. BRAND NEW, African Perspectives on Tradition and Justice, Tom Bennett, Eva Brems, Giselle Corradi, Lia Nijzink, Martien Schotsmans, This volume aims to produce a better understanding of the relationship between tradition and justice in Africa. It presents six contributions of African scholars related to current international discourses on access to justice and human rights and on the localisation of transitional justice. The contributions suggest that access to justice and appropriate, context-specific transitional justice strategies need to consider diversity and legal pluralism. In this sense, they all stress that dialogical approaches are the way forward. Whether it is in the context of legal reforms, transitional processes in post-war societies or the promotion of human rights in general, all contributors accentuate that it is by means of cooperation, conversation and cross-fertilization between different legal realities that positive achievements can be realized. The contributions in this book illustrate the perspectives on this dialectical process from those operating on the ground, and more specifically from Sierra Leone, Mozambique, Malawi, South Africa, Uganda and Rwanda. Obviously, the contributions in this volume do not provide the final outcome of the debate. Rather, they are part of it.
