

Formica Forever (Paperback)

By Mark Adamson

Distributed Art Publishers, United States, 2014. Paperback. Condition: New. Multilingual. Language: English . Brand New Book. Formica Forever, published to celebrate Formica's centennial, takes us on a lively, informative walk through the life of this much-loved material: from its beginnings as electrical insulation; to its adoption by designers including Donald Deskey in the 1930s; to a golden age ushered in by the postWorld War II housing boom; through global expansion in the second half of the twentieth century; to the laminates inventive uses by designers, artists and architects such as Jasper Morrison, Daniel Buren, Frank Gehry, Laurinda Spear and Zaha Hadid; to the present, which finds the Formica Group working with young designers to push the limits of this pioneering material. Formica Forever brings together an exuberant array of archival illustrations of original product samples, advertisements and other ephemera. These are anchored by essays by Phil Patton on the history of Formica Corporation; by Alexandra Lange on Formica Materials and the design world; and by Peter York on the wipe-clean world made possible by Formica laminates. Also included are an illustrated chronology and 100 Years of Color and Pattern, a 128-page Formica-by-colour sequence punctuated by excerpts from literary works by...

Reviews

Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.

-- **Lelia Heidenreich**

I just started off reading this article publication. This really is for all who stante there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).
