Kartoon is an island besieged by evil spells of a sorcerer. Can they be broken? The Old One knew that one day a prince would come and unite the land once again. turning it back into the lavish city and island it once was. But no one believed in the prophecy anymore. An old wives tale, some said. It was a time of warring clans, there was to be no peace. Then one day a ship of peculiar design smashed up against the rocks offshore and sank. The Old One saw a boy, on a huge wave, wash up on shore. He helped the boy to his cave and wrapped him in blankets. Then it hit him with awe as he saw a strange aura about the boy. The prophecy! No ship or crew ever survived the power of the sea and those rocks. Could he be the prince?.
