Reviews

Absolutely essential read through book. it was actually writtern quite properly and useful. Its been developed in an remarkably basic way and it is only following i finished reading through this ebook where really changed me, modify the way i believe.
(Torrey Jerde)

ON BEING A TEACHER (REVISED EDITION)

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, On Being a Teacher (Revised edition), Jonathan Kozol, Jonathan Kozol, National Book Award-winning author and one of America's foremost writers on social issues, offers a passionate and provocative critique on the role of the teacher in America's public school system. Writing as a teacher, Kozol advocates an approach to education that is infused with ethical values: fairness, truth, and integrity, and a driving compassion for the world beyond the classroom. Kozol not only sheds light on what it means to be a teacher, but gives constructive suggestions on how teachers can work conscientiously within the system to foster these values in concert with parents, students and fellow teachers.
