Bazillion Points, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Mark Evans joined AC/DC in 1975, at only nineteen years old, when they were one of the hardest working and loudest rock bands in Australia. In the next few years AC/DC recorded four bestselling albums, and Mark found himself headlining world tours and living the life of a bonafide rock star. His memoir, Dirty Deeds: My Life Inside and Outside of AC/DC, is the first book written by an AC/DC insider, giving fans insight into the life of not only Evans, but also singer Bon Scott, who died tragically in 1980. Rock and roll icons like George Harrison, Gene Simmons, and members of Metallica feature as well. AC/DC remains one of the top-grossing bands of all time, and Mark s memoir is the first to reveal the band dynamic from behind the scenes, painting a portrait of five extremely hardworking, talented, and mischievous musicians who were yet culpable to the demons that drive many bands apart: sudden fame, sex, drugs, and rock and roll.
