## SOCIAL RELATIONS AND CHRONIC PAIN

To read **Social Relations and Chronic Pain** eBook, remember to refer to the web link under and download the document or have accessibility to additional information which are have conjunction with SOCIAL RELATIONS AND CHRONIC PAIN ebook.

Springer. Hardcover. Book Condition: New. Hardcover. 164 pages. Dimensions: 9.3in. x 6.4in. x 0.8in. This book is an extension of my 1992 book entitled *The Social Context of Chronic Pain Sufferers*. Many ideas nominally explored there are elaborated in this volume, which is an attempt to fill a major gap in the chronic pain literature. Although there has been a virtual flood of new works on the medical and psychological aspects of chronic pain, such enthusiasm is somewhat muted in relation to the social environment of the patient. Although there is universal recognition among pain experts that biological, psychological, and social factors influence the experience of pain, the social component (for reasons that are - clear) has failed to attract much attention. The need for a book focused on social relations is obvious. The patient is not merely a carrier of symptoms. There is a large social reality in the background of each patient; that reality can have multidimensional consequences, from the way pain is perceived to serious financial hardship and other sources of stress, complicating treatment, management, and, ultimately, the prognosis. Clinicians recognize the value of incorporating the social dimension in the overall evaluation and treatment of the patient. This book attempts to accomplish that task. In order to achieve that objective, this volume addresses many important elements in the patient's social environment, the most significant being the family. Beyond the family, for a vast majority of patients, work represents a major source of economic security and self-esteem. Job loss, common in this population and a major cause of much personal and family distress, needs critical examination. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
