

The Olive Picker: A Memoir (Paperback)

By Kathryn Brettell

Jazz Dog Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. More than a memoir, The Olive Picker is a touching experience brimming with strength and triumph. Facing a horrific attack, a resourceful nurse must summon her wits or lose her life. In this brave and shocking memoir, the author masterfully guides us through the pivotal points of her life, from an abusive upbringing that destroys her self-confidence, to the wreckage of an ill-conceived marriage, and onto a defining moment, full of grace and mercy, which gave her the wings to become the conquering and triumphant phoenix she is today. Kathi's story is a heart-wrenching testament to the endurance of the human spirit. Beautifully portrayed, The Olive Picker will grab you by the soul and hold you captive to the very last page. A gripping read, deceptively playful at times, this brave book is a stark reminder that truth is often stranger than fiction. - Vibha Malhotra, author and founder of Literature Studio.
