Filbert Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why don t you pursue your dream? Creative blocks don t exist. Change your attitude. Just blast through your block. I heard it all; every trite band aid solution to my very complex, creative block. Truth was, a life changing medical challenge didn t fill me with inspiration. It wasn t a positive transformative experience, either. Instead, I found myself navigating a crazy maze of emotions and head scratching moments. With each new blow, with every new reality, I realized I had a tangle of issues to unwind before I could resume my creative life. Perhaps you re in the same boat. If you ve found yourself with a dream, a higher goal, but just can t get started. this book s for you. It s for every dreamer, aspirer, gentle soul who wants to achieve their life purpose, but can t seem to get on the path. Each short chapter contains a bit of my personal story, applications to your situation, as well as prompts to help you untangle your inability to get moving. You ll also receive a unique set of tools in the Bonus Tool Chest in the final section. You can also download the official Stuck meditation. My hope is that **STUCK** will give you everything you need to venture forth and create the life you know you were born to lead.
