Blink: The Power of Thinking Without Thinking By Malcolm Gladwell Book Summary Readtrepreneur (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link <http://amzn.to/2gAnPRz>) Have you experienced those moments when you just know something, but can never seem to explain how you came to know it? Malcolm Gladwell explores our behavior of making decisions in the blink of an eye and it is not as simple as following your gut feeling. Blink reveals to us why thin-slicing, as compared to having a lot of information about a subject may be the most effective method in making good judgements. (Note: This summary is wholly written and published by readtrepreneur.com. It is not affiliated with the original author in any way.) Truly successful decision-making relies on a balance between deliberate and instinctive thinking. Malcolm Gladwell We will look at some of the great failures and successes that resulted when using instinctive thinking and understand why some people are excellent decision-makers, while some are terrible at it. With Blink, we will understand the factors that matter which will help us make the best possible decisions and make good snap judgements. P. S. Truly riveting and thought-provoking, we will be one step closer to understanding our complex brains and the decision-making process. The Time for Thinking is Over! Time for Action!
