The night Martine Allen turns eleven years old is the night her life changes completely. Martine s parents are killed in a fire, so she must leave her home to live on an African wildlife reserve with a grandmother she never even knew she had. When Martine arrives, she hears tales of a mythical animal living there?a white giraffe. They say no one has ever seen the animal, but it does leave behind footprints. Her grandmother insists that the white giraffe is just a legend, but then, one stormy night, Martine looks out her bedroom window straight into the eyes of the tall silvery animal. Could it be just Martine s imagination, or is the white giraffe real? And if so, why is everyone keeping its existence a secret?.
