ZONDERVAN, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Have you found yourself giving in too often, yelling too much, or making excuses for your child s behavior? Here s how to establish order and harmony in your home and avoid power struggles. The key, says author Bob Barnes, is to have a family plan of shared responsibilities and consequences so that your children know what is expected of them. Read and learn how to create a plan and how to respond when your child fails to meet the plan -- when he or she lies, argues with siblings, fails at a task, or faces peer pressure. Barnes shows you how to discipline your children with consistency and love without feeling guilty or causing anger or resentment. Who s In Charge Here? will help you establish a pattern of positive behavior and self-control that will get your home back in order and avoid disaster. By arming yourself with this book you can win each battle without losing the war.
