Education Dilemma in Malaysia: Past, Present and Future (Paperback)

By Jeff Tong

Authorsolutions (Partridge Singapore), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The quality education in modern world had becomes a main concern for any parents who want their child to excel in academic qualifications, in order to have a better future in their carrier, with better wages. The government in any country spends a great amount of fund in dealing with education, which is important in human capital development. Since educational literacy is relative to prosperous economic development for a country, no one can ignore its importance to the society. Some renowned international assessment such as OLIMPIAD, TOEFL, TIMSS, or PISA has being used to evaluate the students academic performance throughout the whole world. But, Malaysia, which is a modern nation, has to deal with a problem, where its assessment performance ranking had decline almost every year. Its assessment performance has nothing different with other third world countries such as African countries. The deteriorating of academic performance might causes by over intervention by political institutions and ineffectiveness of policy implementations. Should education over intervenes by politics, such as what happened at North Korea, Cuba and China? This kind of incident do happened...
