## LOVERS AND BELOVEDS: AN INTIMATE HISTORY OF THE GREATER KINGDOM (PAPERBACK)

Sans Culotte Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A trapped immortal planning escape. A prince who is the key. And the deliberately forgotten history of a royal family's women, captured in a magic book that may lead the key to open the lock. Heir to the Tremontine Kingdom Temmin Antremont has been shielded since birth from his father's politically and sexually charged court. Now eighteen, he must leave home for the Capital--where he walks straight into a power struggle between the King and the twin gods of love and sex. The gods call Temmin to serve for two years, a call Temmin's father wants him to ignore. If the Heir joins the Lovers Temple, some believe it fulfills a prophecy promising great fortune to the people; others, including the King, fear it heralds the downfall of the nobility. With the help of the King's immortal advisor Teacher, Temmin must decide whether to obey his father and begin training for his future as ruler, or follow his heart into the Temple. But how far will his father go to stop him--and what is Teacher's real agenda? Lovers and Beloveds is the first book in the acclaimed fantasy series An Intimate History of the Greater Kingdom, which continues with Son in Sorrow. Raves and a 4-star average at Goodreads! Everything I adore in high fantasy--lush worldbuilding, political intrigue, and compelling characters--combined with something I rarely find in high fantasy--intelligent, well-written, relevant sex. Meilín Miranda's a damn fine writer and definitely one I'll be keeping my eye on in the future! -- M.K. Hobson, author of The Native Star If George R. R. Martin's Song of Ice and Fire series captures the gritty...
