Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Personnel Administration Its Principles and Practice The purpose of this book is to set forth the principles and the best prevailing practice in the field of the administration of human relations in industry. It is addressed to employers, personnel executives and employment managers, and to students of personnel administration whether they are in schools of business administration or already in industry in some executive capacity. But we hope that it will have value, also, for all - managers, workers, consumers - who are interested to advance right human relations in industry, and to secure a productivity which is due to willing human cooperation, interest and creative power. The field of administrative activity covered by the book includes all those efforts usually included in personnel management; employment, health and safety, training, personnel research, service features and joint relations. And we seek, also, to show the relation of the personnel problems of each corporation to those of its industry as whole, by considering in conclusion the activities of employers associations and the dealings which they may have...
