On Demand Publishing, LLC-Create Space, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Experts and pedagogues (chiefly pedagogues) have, for the purpose of convenience, split literature up into divisions and sub-divisions - such as prose and poetry; or imaginative, philosophic, historical; or elegiac, heroic, lyric; or religious and profane, etc., ad infinitum. But the greater truth is that literature is all one - and indivisible. The idea of the unity of literature should be well planted and fostered in the head. All literature is the expression of feeling, of passion, of emotion, caused by a sensation of the interestingness of life. Even Johnson s Dictionary is packed with emotion. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
