Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Secondary Education, Vol. 14 We had long felt a pressing need for our students to have more opportunity to hear the spoken language. The brief time available in daily classes, the fact that they had to listen to inaccurate pronunciation with the inevitable corrections were, we felt, mitigating against a fluency and an assurance that we wished to be theirs. After a careful consideration, we bought a set of Linguaphone records with the accompanying books, Curso de Conversation. As one of the many means to an end, this purchase has already proven an inestimable help. My particular use of the machine, has been restricted to Spanish, so I am discussing it in that particular field, but the same, of course, would be equally true in any other foreign language. The excellently edited Curso de Conversation, immediately arouses the interest of the students. The graduation of the records from the points of view of rapidity of speech and the difficulty of content is especially good. The material is well organized, emphasis being placed upon every day...
