When the glamour of composition had passed away, the defects of my performance were so apparent that I determined to correct them. I did not suppose that the task would prove arduous; but though so long a time has elapsed, my ideal is still far above my attainment. The work occupied my attention at frequent intervals for fifteen years, and I think that in few months of this period did I fail to make some progress. There were weeks in succession during which, both day and night, my mind was filled with the stanzas. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
