Reviews

Unquestionably, this is the best work by any author. Better than never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.
(Nelson Zemlak)

INFLUENCE: PEARSON NEW INTERNATIONAL EDITION: SCIENCE AND PRACTICE (PAPERBACK)

Pearson Education Limited, United Kingdom, 2013. Paperback. Condition: New. 5th edition. Language: English . Brand New Book. Influence: Science and Practice is an examination of the psychology of compliance (i.e. uncovering which factors cause a person to say yes to another's request). Written in a narrative style combined with scholarly research, Cialdini combines evidence from experimental work with the techniques and strategies he gathered while working as a salesperson, fundraiser, advertiser, and in other positions inside organizations that commonly use compliance tactics to get us to say yes. Widely used in classes, as well as sold to people operating successfully in the business world, the eagerly awaited revision of Influence reminds the reader of the power of persuasion. Cialdini organizes compliance techniques into six categories based on psychological principles that direct human behavior: reciprocity, consistency, social proof, liking, authority, and scarcity.
