Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which it basically transformed me, modifying the way in my opinion.

iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.David Atlas is a middle-aged partner in a Florida law firm who suddenly finds himself with a free weekend after his wife Elaine books a short Caribbean cruise with a girlfriend. After choosing to ignore several legitimate reasons to stay home, David books a four-day escape to Las Vegas. Immediately after David hears he is about to receive a presidential appointment to the SEC, he embarks on a trip to Sin City that turns out to be nothing like what he anticipated. When he steps into a cab with a driver who refuses to talk and offers him a drink with more ingredients than alcohol, David's intuition tells him something is wrong-and he's right. As the cab driver pulls into a convenience store parking lot, David is jumped by two men, and a hood is slipped over his head. Suddenly, David is immersed in a chain of events that prove too difficult for him to navigate by himself. As David travels through the bowels of Las Vegas, he realizes he is a player-not at the blackjack table as he had originally planned, but as an unwilling but active participant in an evolving saga that will soon overtake his entire life.
