Anchor, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Just when it seemed as if all the great baseball subjects had been done, Howard Bryant checks in with this biography of Henry Aaron&Bryant is a great writer for a great subject&Mr. Aaron's story is the epic baseball tale of the second half of the 20th century." -Pittsburgh Post-Gazette Beautifully written and culturally important&tells the Aaron story with gusto and a ferocious sweep. -The Washington Post "Brawny& The Last Hero had the forceful sweep of a well-struck essay as much as that of a first-rate biography." -The New York Times "A must read for baseball fans of every generation." -Booklist "One of Howard Bryants mentors, the late David Halberstam, encouraged him to bring those great Henry Aaron wrists to life, and he has done that and more with this marvelous book. Wrists, legs, heart, brain-here is the full picture of a great man and ballplayer who finally gets his due." -David Maraniss, author of Clemente " An eye-opening biography of the Braves outfielder, the real home-run king&Baseballs tainted steroid era has, if anything, bestowed an even brighter shine to Aarons on-field achievements, but Bryant makes clear that this sluggers story was always about more than merely overcoming blazing fastballs. Plentyof baseball for the fan, but even more insight into why Aaron matters beyond the game." Kirkus Reviews "I loved baseball books as a child. This is a baseball book for adults, the story of a gifted, complex man and his struggles in our complex country. This is a fascinating and at times a troubling book, which revived the lovely old game for me." Tracy Kidder, author of Mountains Beyond Mountains "We already know Henry Aaron as one of the greatest players in the history..."
