Trafford Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Gramics is a word that I made up for my own use to capture the essence of the meaning and use of anagrams in a cartoon or comic form. An anagram is a word or phrase that uses the same letters as another word or phrase but is spelled differently-for example, oh and ho or one s own and nose won. Sometimes an anagram can also be a palindrome, which is a word or phrase that reads the same forward or backward, as used in Oh ho, but these are unusual. This comic book uses only two words in each anagram illustration; however, other anagrams may be found in the represented expressions. It is hoped that the reader enjoys the comics (Gramics) as much as I did in their making. James Hipsher 2012.
