It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Yet Lady Hermione Upperton has never backed down from a challenge. When her spendthrift father offers her at the gaming tables, she is given a difficult choice-wed the Earl of Mainwaring, an infamous gamester with no respect for her skills with the reins, or face charges for the murder of a member of the infamous Lords of Anarchy. Either way she'll have to clear her name. Can she count on her husband's help the way she has begun to count on his kisses? RISKING ROMANCE All Jasper Fawley, the Earl of Mainwaring, wanted was a night of cards. But by the end of the evening he's walked away with a fortune-and a bride who's suspected of murder. Jasper knows Hermione is passionate about her unorthodox membership in the Lords of Anarchy, but he's certain she would never kill to keep it. Can he protect his headstrong wife from prosecution and a ruthless killer without endangering both their hearts in the process?.
