Brand New Book ***** Print on Demand *****.Aisling Grimlock never thought she'd join the family business. In fact, she was dead set against it. When an economic downturn causes her to lose her job, she's forced to go to desperate measures to earn a living. Aisling comes from a big family of grim reapers - no, you read that right. She's the youngest of five siblings - and the only girl - and the testosterone is going to hit the fan when the Grimlocks try to teach Aisling the ropes and keep her safe at the same time. Between rogue wraiths, murderous new acquaintances and gargoyles dropping from the sky, Aisling has her hands full. That's on top of four brothers (and one curmudgeonly father) who would die for her - while also killing for her - and a police officer who's desperate to learn the family secret. Follow Aisling as she delves into the mystery of her mother's death and a world she never wanted to explore - and yet might fit in all the same. This omnibus includes the first three books in the Aisling Grimlock mystery series: Grim Tidings, Grim Offerings and Grim Discovery.
