Reviews

This publication is wonderful. I actually have go through and i am sure that i am going to going to study once more once more down the road. I am easily could get a enjoyment of studying a written book.
(Mozelle Halvorson)

SANCTUARY (HARDBACK)

iUniverse, United States, 2003. Hardback. Book Condition: New. 238 x 164 mm. Language: English . Brand New Book ***** Print on Demand *****. The Shadow Children Schnur s novel is poignant and haunting. Etienne s direct, first-person narrative draws readers into his world, one of pleasure and puzzlement, action and reflection. The fantasy elements are smoothly integrated into the story, and add a unique slant to a frequently covered topic. A thought-provoking addition to the World War II literature. -- School Library Journal Beyond Providence To a cast of passionate, fully realized characters, Schnur adds a compelling sense of place and time and several surprising subplots. With lyrical prose and metaphorical imagery, it s a novel that grows on readers with each turn of the page. -- Kirkus Reviews The Koufax Dilemma Danny s usually warm relationship with his mother and coach, and his mixed feelings for his mother s boyfriend and his dad s new family are portrayed in a believable way. His struggles with faith, family, and team loyalty make this novel an appealing account of family caring and compromise, as well as a satisfying sports story. -- Children s Literature Winter: An Alphabet Acrostic Schnur and Evans round out the year, producing another visually and verbally entrancing title following Autumn, Spring, and Summer. Evans makes hand-colored linoleum blocks whose strong and supple graphic line sets off her rich colors. Schnur s deceptively simple acrostics trace the alphabet and the season. With this latest entry Schnur and Evans complete a most satisfying quartet that can be read with pleasure the whole year round. -- Kirkus Reviews.
