It documents from Scripture the Grace process of salvation that includes living righteously according to the Law. It will require the reader to question a lot of preconceived ideas and provides alternative theories with logical and Scriptural documentation. Are you willing to honestly research the Scripture concerning this most vital topic of eternal life When you get to the judgment, can you say that you lived according to what you understood the Scripture to say after honestly researching it in depth for yourself Or do you want to tell the Judge that you were doing what some dude told you Whether you agree or disagree, you should be able to say that you honestly studied it and are standing solidly on what the Bible says.
