An Experiential Guide to Modern Living for the Individual is a collection of a number of manuscripts relating to the experiences, triumphs, and struggles of an average man into a flowing narrative that gives its reader a surfboard to ride the waves of life. Detailing the elements that make contemporary living so daunting and pulsating, it begins to uncover the illusions that distort our perceptions of our vibrant lives. This work is part memoir, part guide, and part entertainment; it is a single source for the layman to help understand the world as we know it. It will both amuse and stimulate its readers as they travel along for a journey through its pages that reveals some of the incredible mysteries that are at the heart of the human condition.
