Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Revised. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I hope this small book will help you see how the Cross can be a positive force in you life today. I urge you to read it in conjunction with my other book What The Church Won t Tell You About Healing. Although there may be a little repetition it does go into much greater depth about the healing aspect of the Cross. I have no particular qualifications for writing this book other than being an imperfect follower of Christ and these thoughts and opinions are purely my own and I hope God s. I may have been hard in this book on my own Roman Catholic Church but I feel I have the right to express my views having been a lifelong member. It may not seem so but this criticism is born of love for the Church which has been the custodian of the Gospel since the Resurrection. However there is much that is gravely wrong with the Church and it does not take criticism well and indeed does not provide the means for the faithful to do so. However the purpose of this book is not to criticise the Roman Catholic Church but to tell you what they and other churches won t tell you about the Cross.
