FBC LTD, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Demand and Price Situation: November, 1948 With recent declines in prices received by farmers and rather stable prices paid, net farm income for the year 1948 is likely to be lower than 1947, the first drop in 10 years. Record large crop production this year has been primarily responsible for the price declines in farm products. These declines have been reflected in the general level of wholesale commodity prices, which fell in the late summer and early Prices of industrial products as a group rose slightly during the same period.
