

Property Rights and Property Wrongs: How Power, Institutions, and Norms Shape Economic Conflict in Russia (Paperback)

By Timothy Frye

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Secure property rights are central to economic development and stable government, yet difficult to create. Relying on surveys in Russia from 2000 to 2012, Timothy Frye examines how political power, institutions, and norms shape property rights for firms. Through a series of simple survey experiments, Property Rights and Property Wrongs explores how political power, personal connections, elections, concerns for reputation, legal facts, and social norms influence property rights disputes from hostile corporate takeovers to debt collection to renationalization. This work argues that property rights in Russia are better seen as an evolving bargain between rulers and rightholders than as simply a reflection of economic transition, Russian culture, or a weak state. The result is a nuanced view of the political economy of Russia that contributes to central debates in economic development, comparative politics, and legal studies.

Reviews

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).

-- Eulalia Langosh

It in a of the best publication. It really is loaded with knowledge and wisdom You may like the way the blogger write this ebook.

-- Prof. Shannon Wehner PhD
