

Safe Horse Handling: A Companion Book to the Brown Pony Series (Paperback)

By Rebecca Cook

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Tracie Molton (illustrator). Language: English . Brand New Book ***** Print on Demand *****. How do you create a deep connection with a different species where you do not share a common language? Safe Horse Handling, A Companion Book to the Brown Pony Series offers you a unique view on communication using horse psychology for partnership, companionship, and leadership with horses. If you are age 8 to 98, love horses, want to be safe, have fun, AND are ready to learn how to read your horse in the moment, then you've got the right book in your hands! In this book, you will learn: -Why some horses buck while others spook -When to listen to your horse -When to give your horse a time out -The different reasons a horse will bite PLUS MORE! The author is not a horse trainer, she is a trainer of people to the benefit of the horse. Read on and you'll become skilled at horse communication, being a stress detective, and developing leadership skills. Enjoy the ride! From the Author - FYI: People are drawn to a book by its cover....

It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.
