SINGAPORE: INVESTMENT CLIMATE STATEMENT 2015 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Singapore's legal framework and public policies are generally favorable toward foreign investors. Foreign investors are not required to enter into joint ventures or cede management control to local interests, and local and foreign investors are subject to the same basic laws. Apart from regulatory requirements in some sectors (reference Limits on National Treatment and Other Restrictions), the government screens investment proposals only to determine eligibility for various incentive regimes (reference Annex). Singapore places no restrictions on reinvestment or repatriation of earnings or capital. The judicial system upholds the sanctity of contracts, and decisions are effectively enforced. Limits on National Treatment and Other Restrictions: Exceptions to Singapore's general openness to foreign investment exist in telecommunications, broadcasting, the domestic news media, financial services, legal, and other professional services, and property ownership. Under Singapore law, Articles of Incorporation may include shareholding limits that restrict ownership in corporations by foreign persons.
