Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

The author provides these simpler word problem solutions from the page in scripture. Gaining his clues from the Lord himself who boasts I am God there is no other . I tell the end from the beginning, from ancient times what is still to come. Word problem solutions, precisely fitting the timeline of history more than several times is Objective Evidence. Dr. Ehrman and his skeptic cohorts are wrong, hopelessly lost in the modern science of ignorance. Ignorance Definition: Modern science of ignoring the facts. Daniel was told the wise will understand. Some (Christian Professors/Seminarilly Confused) are timid. Dr. Ehrman is silent because he can provide no reasonable answer to God s Objective Evidence.
