Berkley Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. And the best performance as a skull goes to. After years of hiding in the Thackery family house, Sid the skeleton is delighted to finally have his moment in the spotlight. He s starring in a high school production of Hamlet. Well, not so much starring in as being a prop. At least part of him has a part--he s using his head to play Yorick of Alas, poor Yorick fame. Every day, Georgia Thackery s daughter, Madison, who s also in the play, brings in his skull, and every night, she takes him home. Until one night when he s accidentally left at school--and hears the sounds of someone being murdered. But the next day, there s no body and no one seems to be missing. Sid is not a numbskull--he knows what he heard. Georgia thinks he imagined it--until a week later when a body is found. Now Georgia and Sid will both need to keep their heads as they stick their necks out and play sleuth to catch the conscience of a killer.
