Headline Publishing Group, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Gorgeous, world-famous cellist Evie Silverman is classical-lite through and through. Real musicians despise her. Her talent has been promoted way beyond its value because - apparently - everyone loves a blonde girl in lipstick who can do interesting things between her thighs. She s played for the President of the United States. She s played at No 10 Downing Street. And tonight she s playing for Royalty. But tonight she s also going to change her life. Tonight she s going to leave her husband. Tonight, for the first time in fifteen years, she s going to stand on her own two feet. For tomorrow begins her new life - starting with a trip to New York. It all too soon becomes apparent that breaking the rules - and escaping from your past - isn t what it s cracked up to be.
