By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Illinois State Laboratory of Atural History Normal, Ill: Circular of Information, July, 1878 Prof. S. A. Forbes, Curator of the Laboratory, by vote of the Board, read his annual report, as follows: To the State Board of Education: This is an institution whose chief objects are the prosecution and aid of original work on the natural history of the State, (preference being given to subjects having special educational or economical value,) the publication of the results of such work for the information of the people, the training and instruction of teachers of botany and zoology for the public schools, and the supply of the necessary scientific material to these schools, to the State Museum, and to the State educational institutions. It affords a place to which Many specialist or scientific student may come, with the assurance that he will find everything necessary for special study or original work on the natural history of Illinois, to which any teacher may come for preparation to teach these subjects intelligently, and upon which the officers of...
