This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

ADVENTURES OF APPLE BANANA AISLE OF THE COOKIES

Outskirts Press. Paperback. Condition: New. 108 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. The flashing blue and white lights and thunderous sounds continued. A new and strange world began to take form. It seemed to be painted by some unseen magical hand. On the outside of the store the appearance was normal but on the inside the store kept on growing and taking on a life of its own, until suddenly an explosion of light transformed part of the store into a magical land. Inside this new land the items of the grocery store began to come to life but at the back of the store was very quiet untouched yet by the magical light. Towards the back of the store a dim yellowish light could be seen. There were still some aisles left in the grocery store. Out of the blue the silence at the back of the store was broken by a loud crash and laughter as the magical light swept through the last parts of the Safe and Fresh Grocery. The sound of the crash and laughter was coming from where the fruit and produce section used to be. Near the fruit and produce section was several overturned trays of pies and doughnuts. Shh! You will wake up the bread, a voice said in a hushed tone. The laughter stopped. Yeah whatever lets wake up the bread! Yippee! Said a banana swinging on a make shift rope and crashing into another tray of doughnuts and pies. Banana Slick stop goofing off you are going to get us caught, a plump red apple with short stubby legs said. Banana with a big cheesy grin strolled over to the apple. Relax Apple Edison. Why you so uptight You are always uptight. Lets have some fun, the brash Banana said as...
