Partridge India, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Last Soul Children is a look back at the childhood and youth of the author through the people surrounding him during his formative years; realising himself as much as he traces his memories through them. Whether it be your first infatuation or the realisation that you are not a kid anymore; the stories here are a quintessential blueprint of deliverance from innocence for many of us who grew up like anybody else, muzzled from one institute to another: school, college, and finally into the mouths of big business. Forever repressed, forever the victims of false ideals.
