

The Emergent Psalter

Filesize: 5.12 MB

Reviews

It is great and fantastic. Better then never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.

THE EMERGENT PSALTER

Church Publishing. Paperback. Book Condition: New. Paperback. 278 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Grounded in the liturgical tradition and scholarship, the author explores what he calls the new traditionalism that notes the recent resurgence of interest in ancient forms of liturgy and spiritual practice. Everett communicates the seriousness with which he approaches his subject by offering a brief history of psalms and an exegesis of selected psalm texts. As a composer, he speaks clearly about the process of capturing the essence of each psalm in the brief, but beautiful antiphons that accompany them. The psalter itself consists of musically notated antiphon melodies with chord symbols followed by the printed psalm text which is read aloud. . . Many alternative and emerging church communities have begun exploring ancient music and liturgical traditions despite a lack of high-quality, published liturgical music, which does not require (or even desire) an organ and a four-part choir. The Emergent Psalter serves to provide that resource. Featuring music written for two emerging communities (Transmission in New York and Church of the Apostles in Seattle), this book is an excellent resource for anyone producing alternative worship service or thinking of starting one. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
