*It is one of the most popular ebooks. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## MARIE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Author hopes that the reader may find some historical interest in the tale set out in these pages of the massacre of the Boer general, Retief, and his companions at the hands of the Zulu king, Dingaan. Save for some added circumstances, he believes it to be accurate in its details. The same may be said of the account given of the hideous sufferings of the trek-Boers who wandered into the fever veld, there to perish in the neighbourhood of Delagoa Bay. Of these sufferings, especially those that were endured by Triecharde and his companions, a few brief contemporary records still exist, buried in scarce works of reference. It may be mentioned, also, that it was a common belief among the Boers of that generation that the cruel death of Retief and his companions, and other misfortunes which befell them, were due to the treacherous plottings of an Englishman, or of Englishmen, with the despot, Dingaan.
