My book is intended to be a guide for busy individuals who are feeling stuck in a rut, unfulfilled, and want to look within themselves for the answers which will lead to a satisfying life. The Personal Retreat is your guide on a journey of self-discovery. Start with the development of focus skills. Add in some planning for a retreat date. More preparation, then the work begins. Following an easy-to-follow guide will give you surprising insights. You might learn you don't like some of the work you do, while finding renewed joy in other aspects of your career. This then can become a springboard into a new hobby, career, or even a new life! From others who have taken the Personal Retreat Process and procedures for how to evaluate your path and if you're on the right track. A manual for your own happiness. A book like this is needed right now. Should you make the decision to buy the Personal Retreat, you won't be alone. You will gain access to the author and many others...

### Reviews

*A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.*

-- Prof. Llewellyn Thiel

*A must buy book if you need to adding benefit. I actually have read through and so i am certain that i will likely to read through once again once again down the road. I am just quickly could possibly get a delight of looking at a created ebook.*
