READING-LITERATURE TEACHER S GUIDE (PAPERBACK)

Living Books Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Reading-Literature Teacher s Guide challenges the notion that learning to read is a matter of word repetition and phonic drill. Margaret Free and Harriette Treadwell saw literature as the ideal form for teaching reading because stories and poems capture the child s interest, making learning an easy road. This guide is designed to accompany The Primer, First Reader and Second Reader and provides a simple, lesson by lesson plan for teaching beginning reading. The authors believed that that if you give children something worth reading and use it as a vehicle for learning to read, they will be life-long readers. Reading-Literature Teacher s Guide is an unabridged edition of the original work published in 1916. Living Books Press has carefully edited and updated the guide for modern readers while maintaining Free and Treadwell s timeless methods. The Primer, First Reader and Second Reader are also available from Living Books Press.
