Reviews

Complete guide! Its this kind of very good read through. I really could comprehend almost everything out of this written e publication. Your lifestyle span is going to be transform the instant you complete looking over this book.
(Reilly Keebler IV)

THE RUNAWAY DANDELION: ADVENUTERS IN SUSTAINABILITY (PAPERBACK)

Earthwardproject LLC, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A once idyllic meadow, home to animals, birds, insects, wildflowers and ancient apple trees is clear cut by a bulldozer to make way for new construction. Miraculously, there is one survivor.a lonely little dandelion. When her golden petals turn to white fluff, she takes flight in search of a new home. We get a bird s eye view of her journey over many big houses and manicured green lawns. When she spots a lush green meadow, surrounded by wetlands, we follow her down to earth, and cheer as she puts down new roots. We meet all the inhabitants of this small Family Farm and observe their daily life. What s special about this farm is that each of their activities contribute to a sustainable lifestyle, and consequently lead to a brighter and more promising future. A contemporary fable that is as informative as it is timely. Young readers, as well as parents and teachers, can explore many earth friendly techniques including organic gardening, solar and wind power, water harvesting, alternative heating, growing medicinal herbs, and cultivating gourmet mushrooms on logs. There is a Glossary, and suggestions for family friendly cooking-with-dandelion recipes. A comprehensive resource list of follow up links encourages readers to further explore these Permaculture techniques.
