Effective communication of concepts and solutions related to reliability, risk, and resiliency is frequently cited by technical professionals as the most challenging and overlooked aspect of their work. Texts and guidance documents often reference the importance of better communication; however, there are few practical examples and limited practical guidance for this type of communication. This book fills many of these gaps for practitioners. Communicating Reliability, Risk, and Resiliency to Decision Makers provides the hands-on approaches and techniques that will make you more effective in getting decision makers to move from discussion to action. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
