

Wester Ross and Lochalsh: 40 Coast and Country Walks (Paperback)

Filesize: 1.8 MB

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
(Prof. Martine Lesch)

WESTER ROSS AND LOCHALSH: 40 COAST AND COUNTRY WALKS (PAPERBACK)

DOWNLOAD

Pocket Mountains Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Wester Ross and Lochalsh are amongst the most popular areas for walks in the Scottish Highlands. The Lochalsh peninsula between the shores of Loch Duich and Loch Carron offers varied walking from villages such as Plockton as well as the region s main town at Kyle of Lochalsh. Across the dramatic Mam Ratagan pass is the remote and secluded Glenelg peninsula, a tranquil and peaceful haven far from busy routes. Further north are Applecross and Lochcarron, with mountains that yield nothing in ruggedness to their more famous counterparts in Torridon, as well as attractive fishing villages and forest walks. Finally around Gairloch is an area that has long been famous for its fine sandy beaches, many of them still very quiet. Inland is a vast area of little-visited, rocky peaks known to walkers as The Great Wilderness . This latest pocket guide features 40 of the best walks in this popular area in an attractive and accessible format.
