WW Norton Co, United States, 2014. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. An absentee father, a former dissident from communist-era Prague, needles his adult daughter for details about her newly commissioned play when he fears it will cast him in an unflattering light. An actor, imprisoned during the Red Scare for playing up his communist leanings to get a part with a leftist film director, is shamed by his act when he reunites with his precocious young son. An Israeli soldier, forced to defend a settlement filled with American religious families, still pines for a chance to discover the United States for himself. A young Israeli journalist, left unemployed after America's most recent economic crash, questions her life path when she begins dating a middle-aged widower still in mourning for his wife. And in the book's final story, a tour de force spanning three continents and three generations of women, a young American and her Israeli husband are forced to reconsider their marriage after the death of her dissident art-collecting grandmother. Again and again, Molly Antopol's deeply sympathetic characters struggle for footing in an uncertain world, hounded by forces beyond their control. Their voices are intimate and powerful and they resonate with searing beauty. Antopol is a superb young talent, and *The UnAmericans* will long be remembered for its wit, humanity, and heart.
