After her birth in a San Francisco hospital in 1965, a Reno physician and his wife adopted Mia. She was raised with her brother and sisters in a happy loving home. Upon the death of her parents she decided to try and fill the deep longing and emotional gap now present in her life. She began a passionate search for her biological parents in hopes of discovering her medical history. Emotions are on edge as Mia's quest begins, and she encounters files and documents outlining her past history.
